Sarah,

How are you?

Do you know when you were planning on sending out the Oversight report to the PRPs? They asked about it.

Hi Pete – I understand the site visit by your organization (and one also by GHD) found things in good shape with no adverse impacts from Florence. That is great news. I'm asking if you know when your annual invoice for the last fiscal year will be prepared and issued to us for payment. Usually I think it's in October of each year. Can you provide an update/expected date so I can get our folks ready?
Thanks!
